

CALIFORNIA REGIONAL WATER QUALITY CONTROL BOARD
SAN FRANCISCO BAY REGION

ORDER NO. 77-2

NPDES PERMIT NO. CA0005479

RESCINDING ORDER NO. 74-39

GRANITE ROCK COMPANY
REDWOOD CITY, SAN MATEO COUNTY

The California Regional Water Quality Control Board, San Francisco Bay Region (hereafter Board) finds that:

1. On May 21, 1974, the Board adopted Order No. 74-39 prescribing waste discharge requirements for Granite Rock Company, hereinafter called the discharger. The Order required the discharger to cease discharging 108,000 gallons per day of scrubber wastewater to an arm of Redwood Creek by March 19, 1975.
2. On March 19, 1975, the discharger informed the Board that all waste discharges had ceased. Regional Board staff has inspected the discharger's operations and has verified that all waste discharges have ceased. The discharger no longer needs a NPDES permit.
3. The Board has notified the discharger and interested agencies and persons of its intent to rescind waste discharge requirements, and has provided them with an opportunity for a public hearing and an opportunity to submit their written views and recommendations.
4. The Board in a public meeting heard and considered all comments pertaining to the rescinding of waste discharge requirements.

IT IS HEREBY ORDERED that Regional Board Order No. 74-39, NPDES Permit No. CA0005479, is rescinded.

I, Fred H. Dierker, Executive Officer, do hereby certify that the foregoing is a full, true, and correct copy of an Order adopted by the California Regional Water Quality Control Board, San Francisco Bay Region, on January 18, 1977.

FRED H. DIERKER
Executive Officer
